

# Country School Quilters support our troops!

We have sent 90 boxes to Iraq and Afghanistan. Our first boxes went to Lt. Mathew Reeves for his 120 marines. He was in Iraq when his first child was born, so we were thrilled to make a baby quilt and send it to his wife. We started this project in August 2007 and since then we have continued to send our support to others, including Mark Anthony, Michael Missana, Chris Pearsall and Alexander Mickens.
